FOREWORD

WE, THE CLASS OF 1951,

ARE GRADUATING INTO A WORLD SPLIT
WITH INDECISION AND THE CONFUSION
OF WAR. AS WE LOOK BACK

ON OUR SCHOOL YEARS, WE REALIZE
THAT THE HELP OUR PRINCIPAL AND
TEACHERS, HAVE GIVEN US HAS

MOLDED OUR CHARACTERS AND PRE-
PARED US AS BETTER CITIZENS TO
TAKE OUR PLACES IN TODAY'S WORLD...

WE FEEL THAT ARCHITECTURE IS
AN IDEAL THEME IN SHOWING THE
DEVELOPMENT OF GROWTH IN THE STUDENT'S
CHARACTER AS BROUGHT ABOUT BY THE

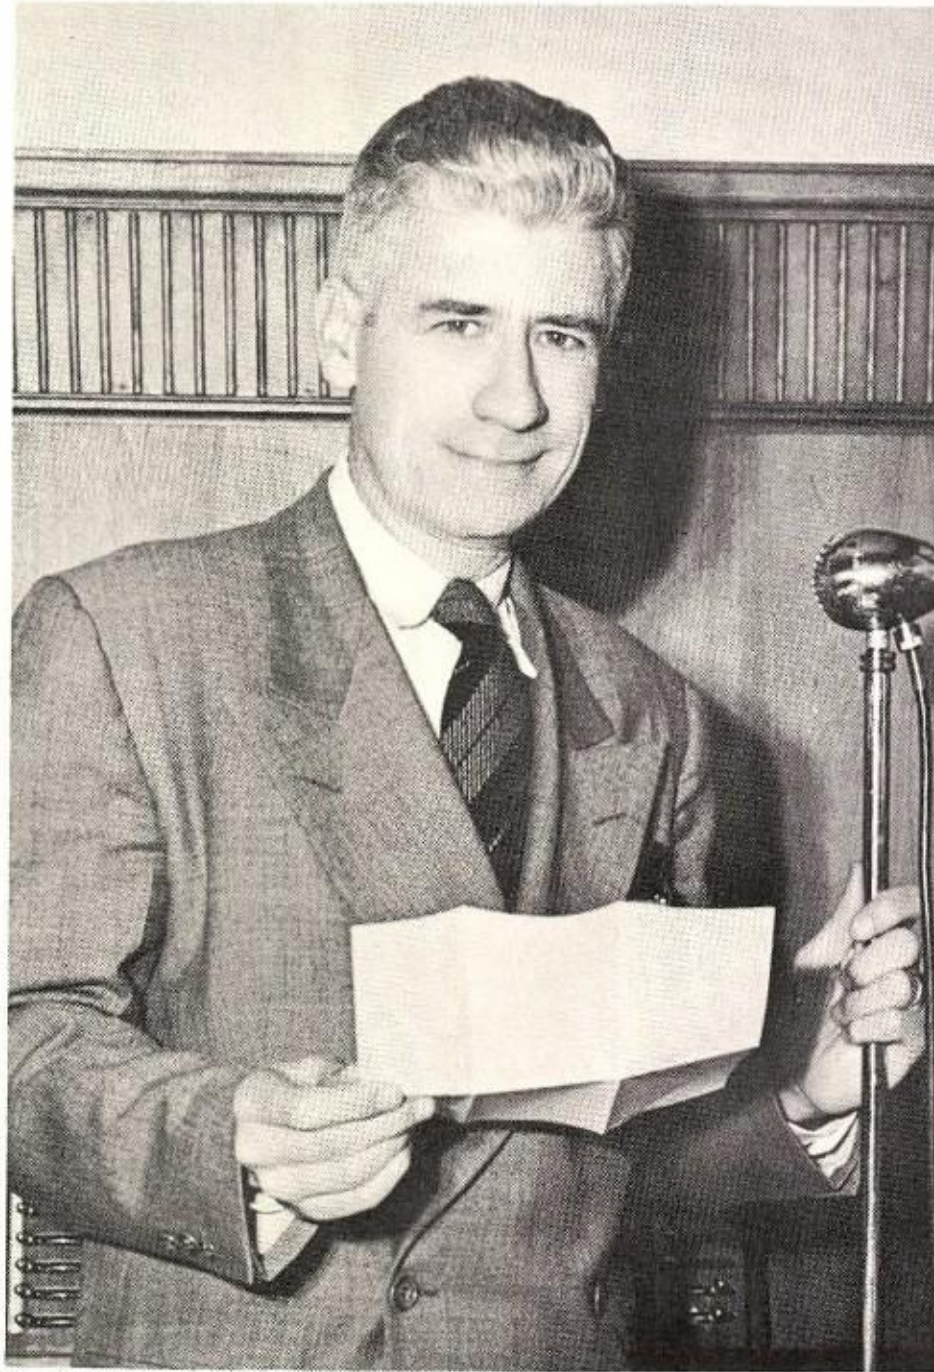

SCHOOL. EVERY PHASE OF SCHOOL-
LIFE--- THE TEACHER, THE ADMINISTRATION,
OTHER STUDENTS, CURRICULAR STUDIES,
SPORTS, MUSIC, AND VARIOUS CLUBS--
ALL PLAY THEIR PART IN BUILDING
EVERY STUDENT'S CHARACTER.

IT MIGHT BE SAID THAT, "THE GREAT
HOPE OF SOCIETY IS INDIVIDUAL CHARACTER."
IT IS OUR AIM TO SHOW THAT IN-
DIVIDUAL CHARACTER IS CONSTRUCTED
THROUGH THE COOPERATION OF MANY
ARCHITECTS, FOREMEN, AND WORK-
MEN IN THIS TASK OF PREPARING
AMERICA'S YOUTH FOR ADULT CITIZENSHIP...

DEDICATION

MR. ALTON B. CORBIT

Dear Mr. Corbit:

Each year you have written a letter to the students for publication in the Bagel. This year the Bagel staff feels that it would be appropriate to write you a letter.

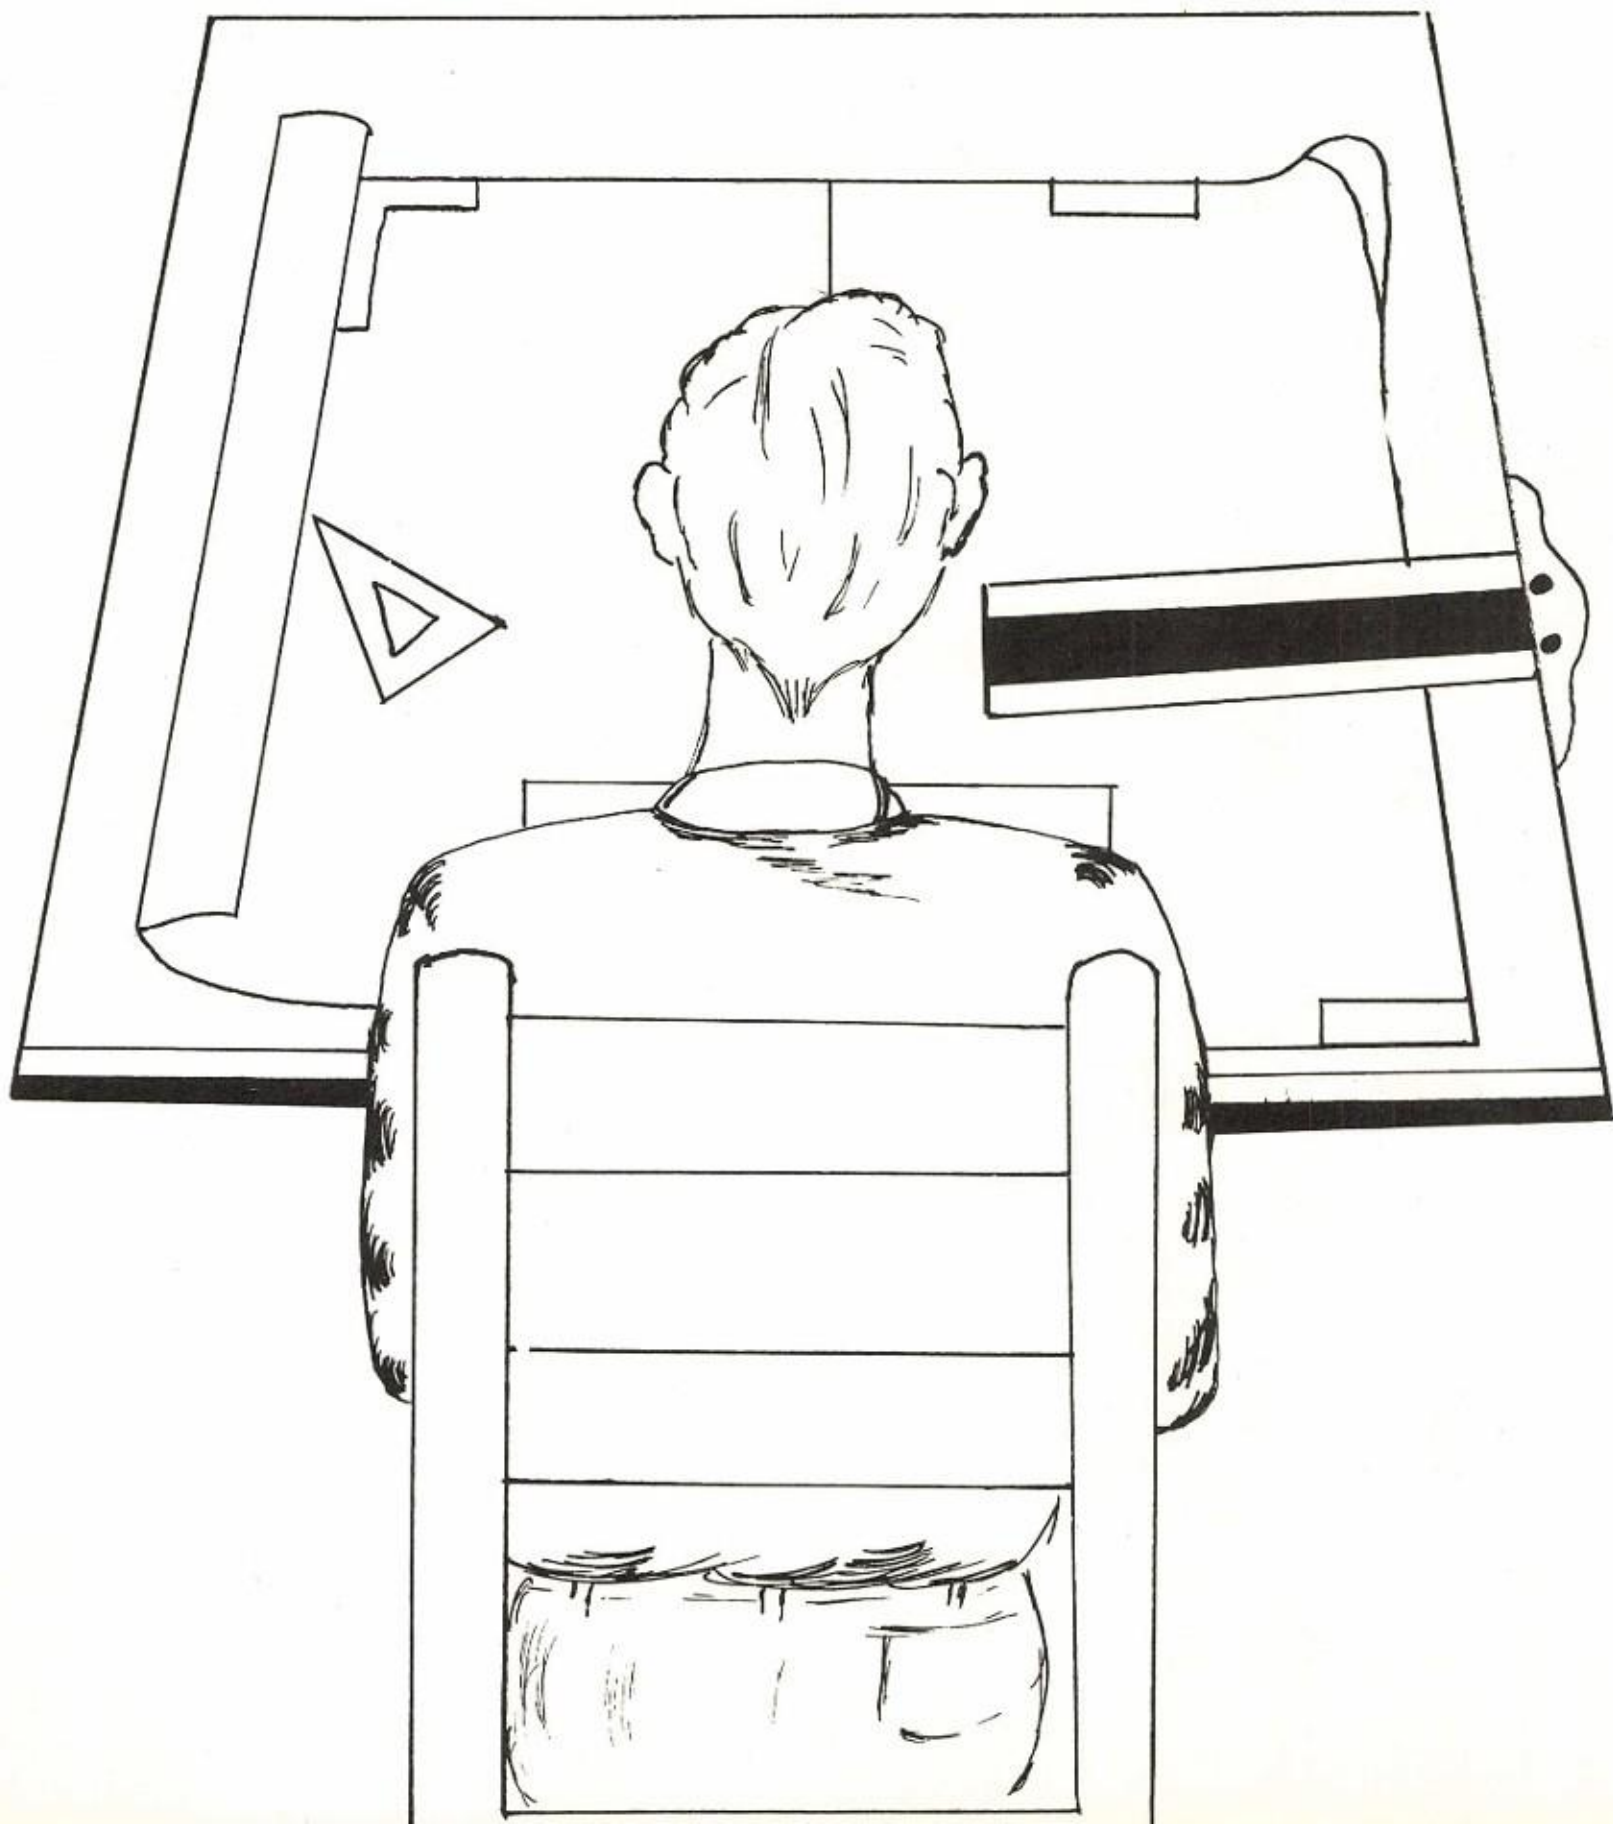

These past five years you have worked many long hours for the students of Victor and have received little recognition from them for this work. As we become graduates, we realize how valuable this work has been to us. Your guidance and understanding has contributed to the development of our characters during our school years.

For these reasons, and for many others, the Bagel staff wishes to dedicate this, the fourth edition of the Bagel, to you as a means of expressing our appreciation for your work.

Gratefully,

The Class of '51

February 12, 1951

Dear Students:

The day that this letter is written is in honor of a great American—Abraham Lincoln. You are all well-versed in his many accomplishments which have earned for him the esteem in which he is held by every real American. The story of his life, too, is one that fits well the theme of your yearbook—Architecture in the building of character.

Of course, the greatest bit of building he eventually did was to keep this great country of ours united under one government; not half slave and half free. In addition to this, running throughout his life, are countless incidents which reflect the character of the man. For example, do you recall the letter he wrote to the woman in Boston who had lost five sons in the Civil War? Or, the humility of the man as he delivered the immortal words of the Gettysburg Address? I like the following quotation credited to Lincoln: "If I were to try to read, much less answer, all the attacks made on me, this shop might as well be closed for any other business. I do the very best I know how—the very best I can; and I mean to keep on doing so until the end. If the end brings me out wrong, 10 angels swearing I was right would make no difference."

It is our fervent hope that your school has been of help in molding your characters for the better; that as you look back on your school days you may say of them—"They helped make of me a better person."

The following poem NOBILITY by Alice Cary, I feel, really sums up everything we at school would like to say to each and every student but perhaps have not said adequately in the past:

True worth is in being, not seeming;
In doing each day that goes by,
Some little good—not in dreaming
Of great things to do by and by.
For whatever men say in their blindness,
And in spite of the fancies of youth,
There's nothing so kingly as kindness,
And nothing so royal as truth.

We cannot make bargains for blisses,
Nor catch them like fishes in nets,
And sometimes the thing our life misses
Helps more than the thing which it gets.
For good lieth not in pursuing,
Nor gaining of great nor of small;
But just in the doing—and doing
As we would be done by, is all.

Sincerely yours,

Alton B. Corbit

ALMA MATER

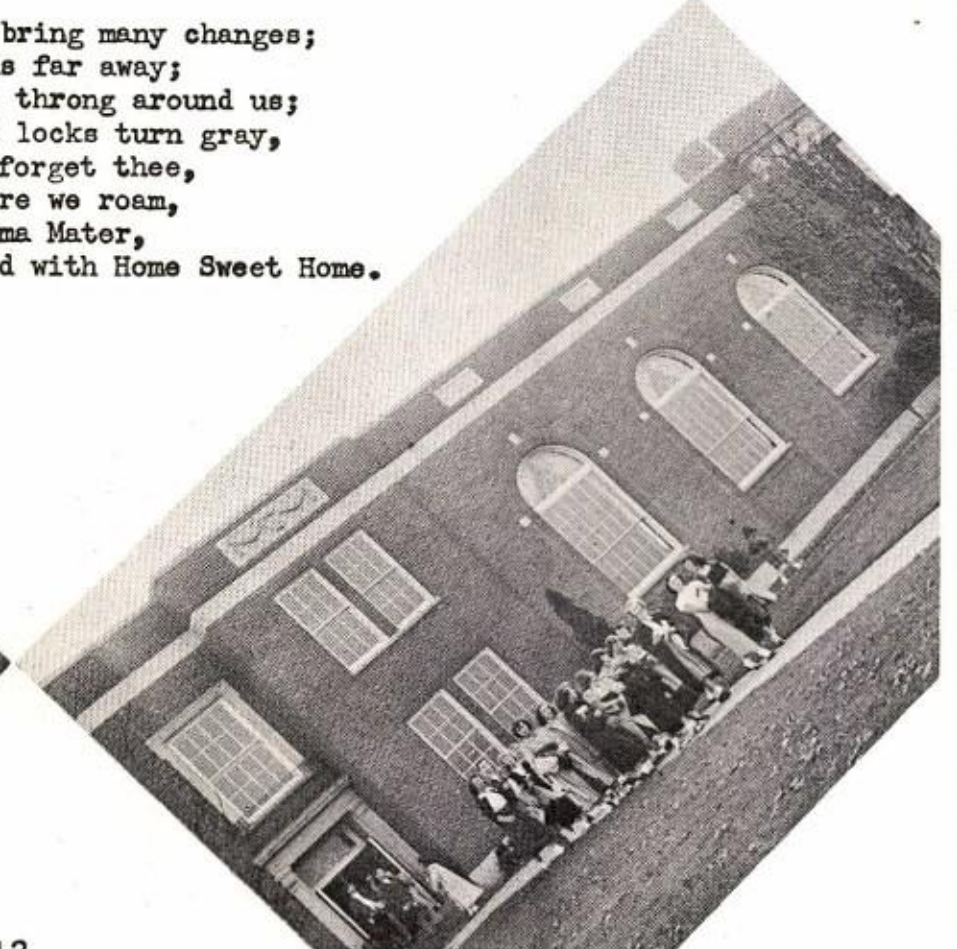

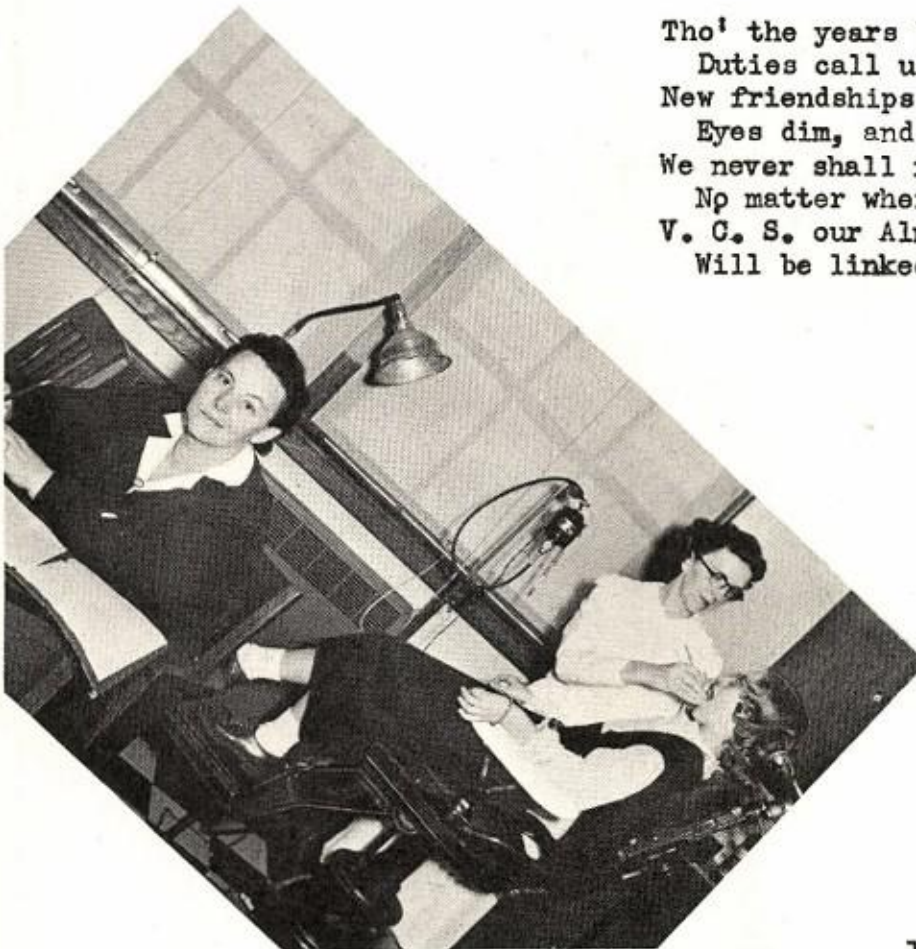

There are songs of love and duty,
There are songs of war and fame,
But the song that sounds the sweetest
Is of Alma Mater's name.
It brings back scenes forgotten,
While loud our voices ring,
When in honor of our High School,
We all united sing.

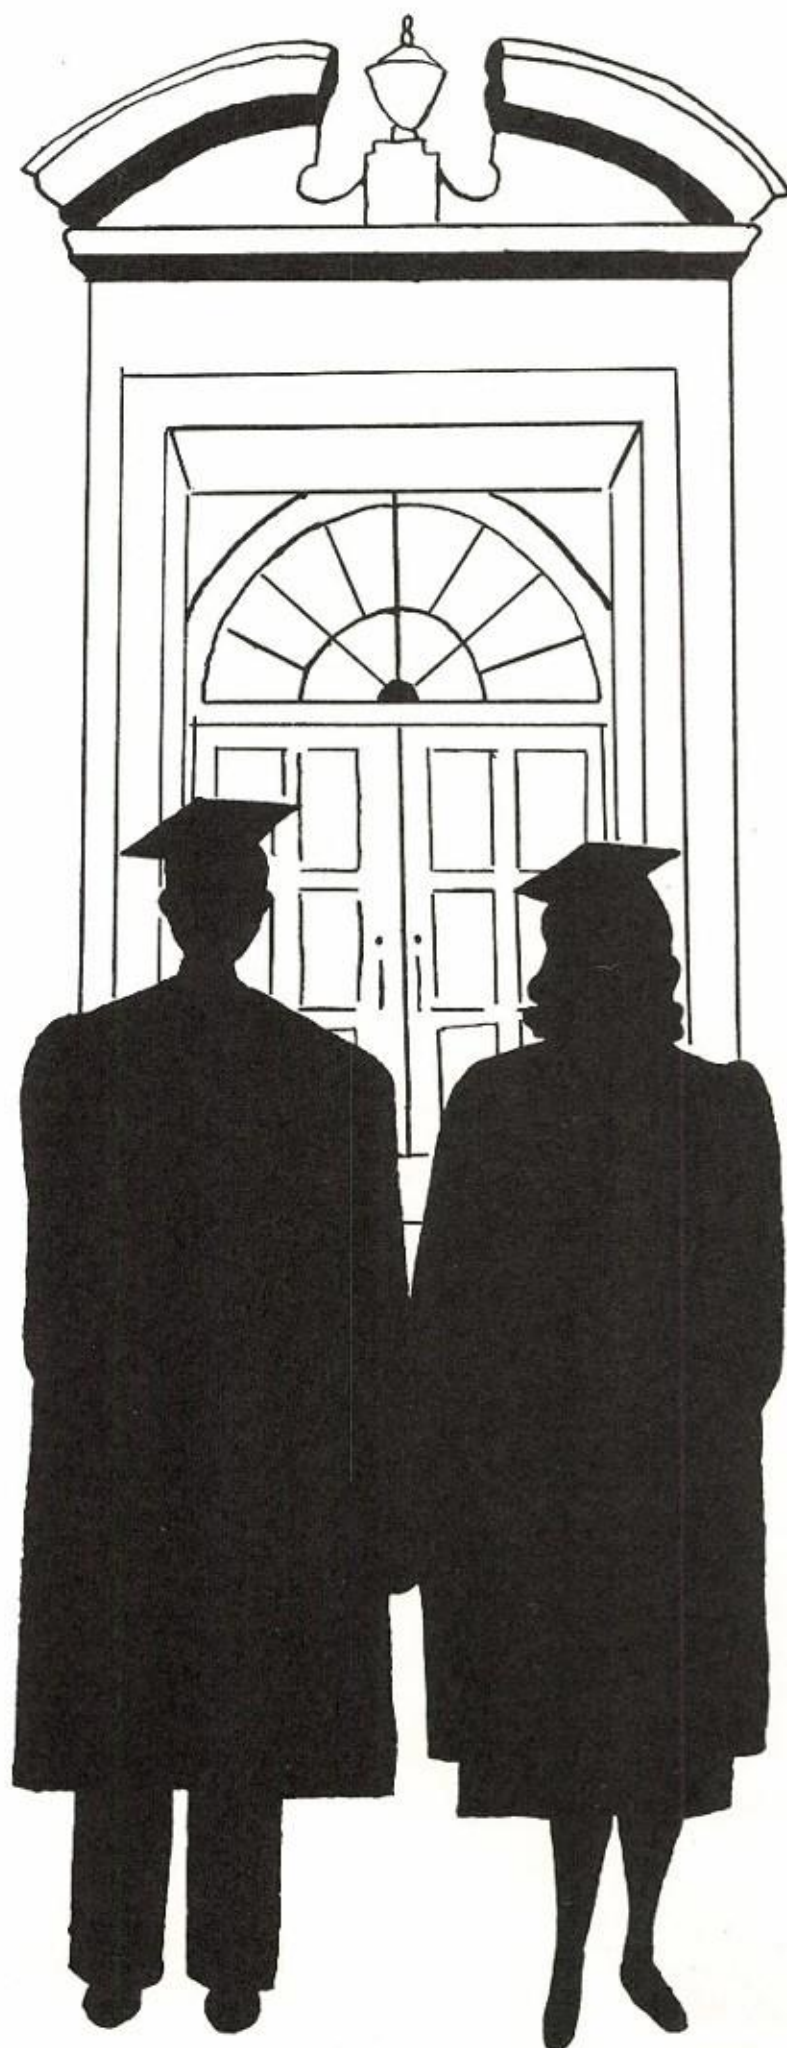

Refrain:

O Victor High, we love thee
Our Alma Mater dear,
And we shall ever hold thee
To our affections near.
Thy name, it stands for honor,
For courage, constancy,
To thee, dear Alma Mater,
We pledge our loyalty.

Tho' the years bring many changes;
Duties call us far away;
New friendships throng around us;
Eyes dim, and locks turn gray,
We never shall forget thee,
No matter where we roam,
V. C. S. our Alma Mater,
Will be linked with Home Sweet Home.

BLUEPRINT

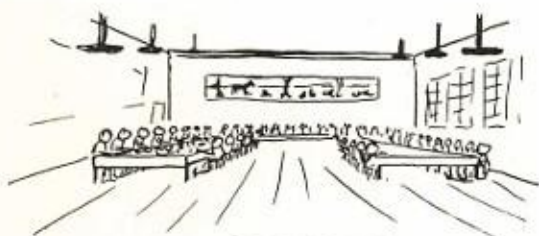

The construction of the Class of 1951 began 13 years ago, when we broke ground above the Post Office. The cornerstone of the Class of '51 was laid in September of 1938 when the construction of intellect and character commenced. For two years work progressed in the Post Office building where the foundation was established. We advanced to the Bank building where Miss Brown first impressed us with the importance of manners. In addition to the fundamentals in readin', writin', and 'rithmetic. In third grade we started constructing the frame in our new school building. Our new cafeteria, gymnasium and library helped make this new life adventuresome and exciting work.

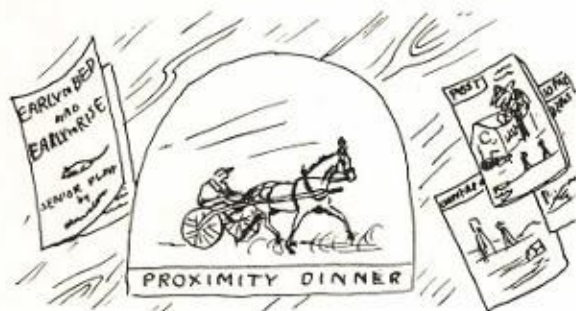

The frame was rapidly erected, and we soon found ourselves preparing for Junior High School. How proud we were of our ability to pass to classes without making a commotion! We hoped that this quality would be carried on to Junior High School. Then Junior High found us 70 strong and speeding into high school.

Our Freshman year, we were assigned to the study hall with Miss Mertz, Miss Chambers, and Mr. Gray as foremen. We elected Lorraine Hulings, President; Bill Garlock, Vice-President; Joyce Boughton, Secretary-Treasurer; David Hawkins, Student Council representative. Our activities for the year included two after-dances, a tag day, a vaudeville show, roller skating party, and an "end-of-school" picnic at the Dunn's cottage. We finished the year with a treasury of \$43.61.

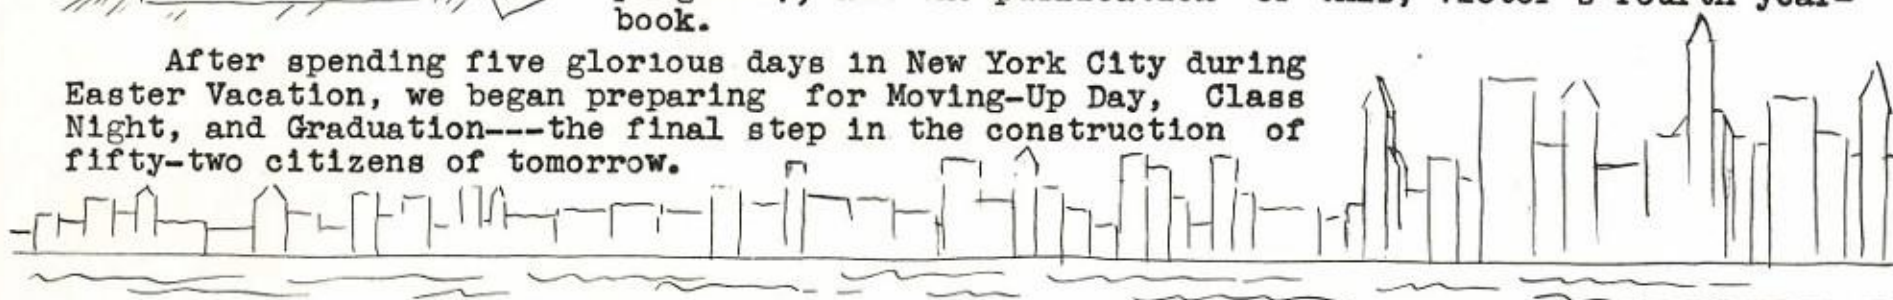

Our Sophomore year, 55 able teen-agers again met in the study hall with Miss Mertz and Mr. Rogers advising us. Our officers were: President, Lorraine Hulings; Vice-President, Joyce Boughton; Secretary, David Hawkins; Treasurer, Dennis Clifford; and Student Council representative, Sheila Concannon. Our activities included a ham raffle, several dinners, an Easter pageant, and another picnic. We now had \$379.41 in our treasury.

Our Junior year was our busiest. The construction was nearing its completion. Our officers this year were President, John Phillips; Vice-President, Nancy Dunn; Secretary, Mary Ann Turner; Treasurer, Sally Helm; and Student Council representative, Ethel Fritz. Our adviser was Mrs. Barry, formerly Miss Mertz. We held a Halloween round and square dance. Later our Junior Prom (a gay whirl of flowers and music), found us using a punch bowl, a pleasant innovation. From there we went into a stationery and wrapping paper sale, Firemen and Rod and Gun Club dinners, sale of candy and pop, and another picnic, this time at Garlock's cottage. Our treasury had now reached the overwhelming sum of \$1123.03.

Construction commenced on the roof in the fall of 1950. Officers for the year were President, Vernon Power; Vice-President, Sheila Concannon; Secretary, Sally Helm; Treasurer, Ethel Fritz; and Student Council representative, Mary Ann Turner. Our advisers were Mrs. Barry and Mr. Totman. Activities for the year included the magazine subscription campaign, our Senior play, "Early to Bed-Early to Rise", the Proximity dinner, Senior Ball (a snow whirl with another unique addition: programs); and the publication of this, Victor's fourth year-book.

After spending five glorious days in New York City during Easter Vacation, we began preparing for Moving-Up Day, Class Night, and Graduation---the final step in the construction of fifty-two citizens of tomorrow.

SENIOR PLAY

"Early to Bed--Early to Rise" proved to be one of the best comedies Victor has ever seen. Every scene was packed with well-placed remarks that never failed to send the audience into gales of laughter. Abbie Fuller is the well-meaning aunt who tried in vain to discipline her niece and nephew, Patsy and Bobby Fuller. Bobby is a rather lazy young man who would much rather tinker around cars and talk with his romance-minded girl friend, Spanky Minuti. Patsy, a young girl of eleven and an ardent animal lover, adds her bit of nonsense and common sense to the play.

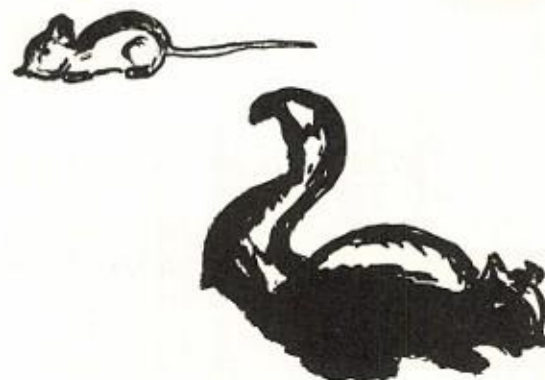

Marian Fuller is an average young woman completely in love with her boss, Jim Griggs. However, there is a sweet package of competition in the form of southerner Laura Montgomery who tries her hardest to win the affections of Mr. Griggs. Patsy, the ever-loving sister tries a series of clever maneuvers, including winning and selling a beautiful new home, and finally succeeds in sending Marian into Jim's waiting arms.

Everitt Fuller, the inventor father of this crazy brood, manages to inject his bit of nonsense into the dialogue between belligerent attacks of rebellion from their landlord, Mr. Conkle, over Patsy's pets (Violet-the skunk and Hamlet-the white rat) donated by the pet shop owner, Mr. Kirschmeier.

The Class of '52 had a very successful year with Mr. Rose as our adviser. We started out the year by winning first prize in the Halloween window painting contest for the second consecutive year. We also sponsored a Halloween Dance which proved to be a big success.

In October we served a ham dinner for the firemen. After this we started selling writing paper which is always an annual project for the Junior Class. During the basketball season we sold pop and candy at all the home games.

We held our Junior Prom in May and we ended a year of profitable and enjoyable activities.

This Sophomore class held a gala year of original money making ideas plus starting the construction of many grand characters. The class had an able leader in their president Delores Stemp and combined with the violent efforts of their advisers, Mr. Palumbo and Mr. Ransom, started the building of a grand group of future Juniors.

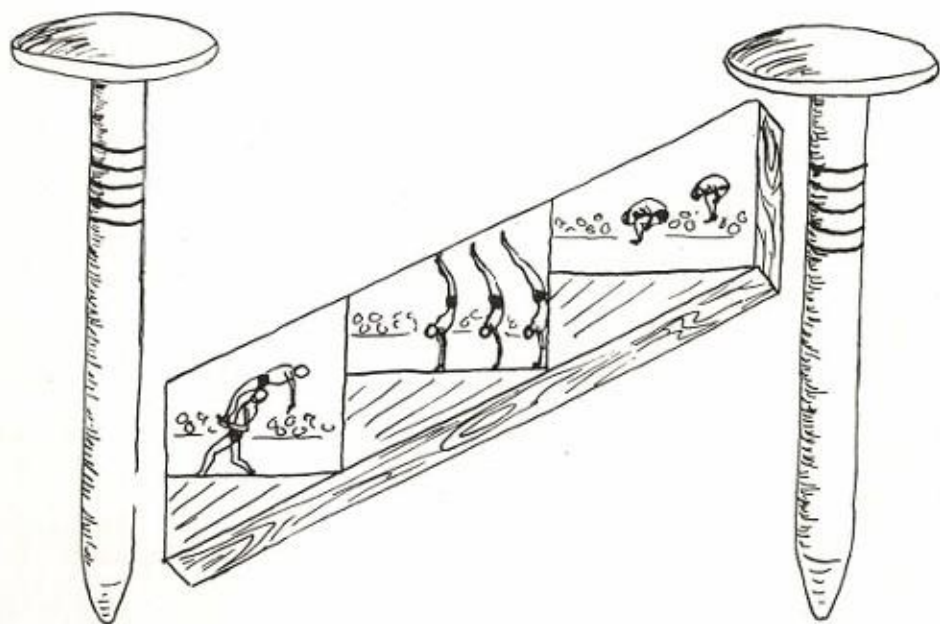

Their activities included the Cole Circus, which enlarged their already bountiful treasury, plus a football tag day and a team of college acrobatics that presented a performance that Victor Central will remember for a long time. This class has started a great building that will some day mean a great future.

We, the Freshman Class, are off to a good start with 45 members. We started things off right by selling the most season tickets. This put \$10 into our treasury. Additional profits have come from checking coats and sponsoring a Tag Day for the opening basketball game. We ended the year by staging an annual Freshman assembly.

Under the advisership of Miss Brownlee we hope to do as well in the future as we have done during our first year of high school.

Once again after many busy hours this group has produced an annual to be kept in order to bring back memories in years to come.

We would like to express thanks to Mrs. Barry for her tireless aid. Without a capable foreman such an enterprise as this could not be successfully carried out, we realize.

Here is a short poem that explains some of the ingredients that are poured into the mold of a book like this:

Innumerable hours of hard work,
 One bushel of worries,
 Ten quarts of frayed nerves,
 A generous amount of fun and laughter.

The Hilltopics staff is responsible for the school newspaper and school news in the Victor Herald. For the first time, the Hilltopics was printed commercially. The result was a much more readable paper and one of which Victor Central was very proud. Publications come out every ten weeks and include important and interesting news around school. Two delegates were sent to the Syracuse Press Conference in October.

The Student Council is a valuable worker in this construction. Working as a unit, it is the Council's duty to supervise the smooth operation of actual school life. By giving movies and sponsoring a dance and dinner, the organization is able to finance assemblies and other items not included in the school budget. Victor is cooperating in an effort to form a County Student Council. Most activities in the school must bear the Council's stamp of approval before being held.

Officers for 1950-51 are:

President.....	Dominic Paparone
Vice-President.....	Joyce Boughton
Secretary.....	Robert Smith
Treasurer.....	Francis Tischer

The members of the National Honor Society possess leadership, scholarship, service, and character qualities. They have maintained over 85% in their high school scholastic record. In its fourth year, this organization has fourteen members. 15% of the Senior Class is represented, 10% of the Junior Class, and 5% of the Sophomore Class.

This year the Future Farmers of America participated in various activities. Two members attended Camp Oswegotchie last summer, and all of the boys of the F.F.A. spent an enjoyable day at the State Fair in Syracuse.

For the fourth consecutive year, the F.F.A. and the F.H.A. co-sponsored the school fair, which was held for two days. The boys of the F.F.A. also participated in the Ontario County Fair.

The F.H.A. served the F.F.A. boys at the annual Parent & Son Banquet, March 19, which brought their year to its successful conclusion.

The Future Homemakers of America finally realized a dream that had been very distant in the last few years. The members have finally acquired jackets in red and white, the national F.H.A. colors.

Shirley Hunt, the organization president, gamely led the members through the two days of the school fair, whose success can be attributed to the hard work and combined efforts of the F.H.A. girls and also, Miss Woods, their adviser. The group sponsored a play-day and a dance in the Spring. The play-day brought many girls from other F.H.A. organizations, and helped everyone realize the need for understanding and friendship among members.

PROJECTION CLUB

The projection club is a very valuable school service. The members operate the projection machines for high school and grade movies during school hours. They also take care of the evening movies sponsored by the various classes and organizations as money-raising projects, during the year.

First Row: Mr. Ransom, F. Small, G. Popenhusen, J. Mead, W. Bennett, F. Yahn.

LIBRARY CLUB

This organization consists of high school girls interested in the management and operation of the library. Among the girl's duties are: supervising the high school and grade library, shelves, stamping books going out, and putting cards in the books that come in during the day. Aurelia VanLare is president and Beatrice Schrader is the vice-president.

First Row: Miss Averill, A. Payne, M. Peterson, J. Cotton, A. VanLare, J. Karvar, C. Mortensen, N. Barry.

SPORTSMANSHIP COM.

The sportsmanship committee was selected by the faculty on the basis of character, dependability and sportsmanship. They number eight in all and help promote sportsmanship at the basketball games by patrolling the sidelines, finding seats for bystanders, and keeping order in the entire gym. Victor hopes to add the well earned Sportsmanship banner to their gym walls some day and with the cooperation of the students and the committee, it may one day be ours.

First Row: S. Hunt, W. Stemp, M. Herendeen, C. Barry.
Second Row: R. Smith, R. Barry, Mr. Rogers, D. Rybke, D. Maltman.

CITIZENSHIP COM.

The citizenship program in Victor has been very popular for the last few years. However, Mr. Rogers, their adviser, believes that the need for such a committee will be needless in a very few years. There are sixteen members all picked for their dependability and character. They keep control during classes, inspect the room slips, and check congestion in the halls during class changes. The committee also acts as hosts and hostesses for visitors and guests at the school. They have been doing a fine job and have helped Victor Central become a more orderly school.

"Strike up the band!" This musical organization is composed of 45 members and is under the direction of Floyd S. Adams. The opening concert of the season was presented at the School Fair. We also provided the music for the local Halloween Festivities.

We presented a short program for PTA in January.

Delegates to Medina All-State Band were Marie Leary, Sylvia Clover, Joyce Thiel, John Phillips, and Bennie Carpenter.

We again played at the Rushville festival and at the State Contest in Canandaigua.

Our big finale was at the Spring Concert where a grand performance was heard by many music lovers.

And so--the curtain falls!

Second Row: Coach Lynaugh, F. Underhill, B. Cleary, D. Weigert, L. Semmler, D. McKeag, M. VanOrman.

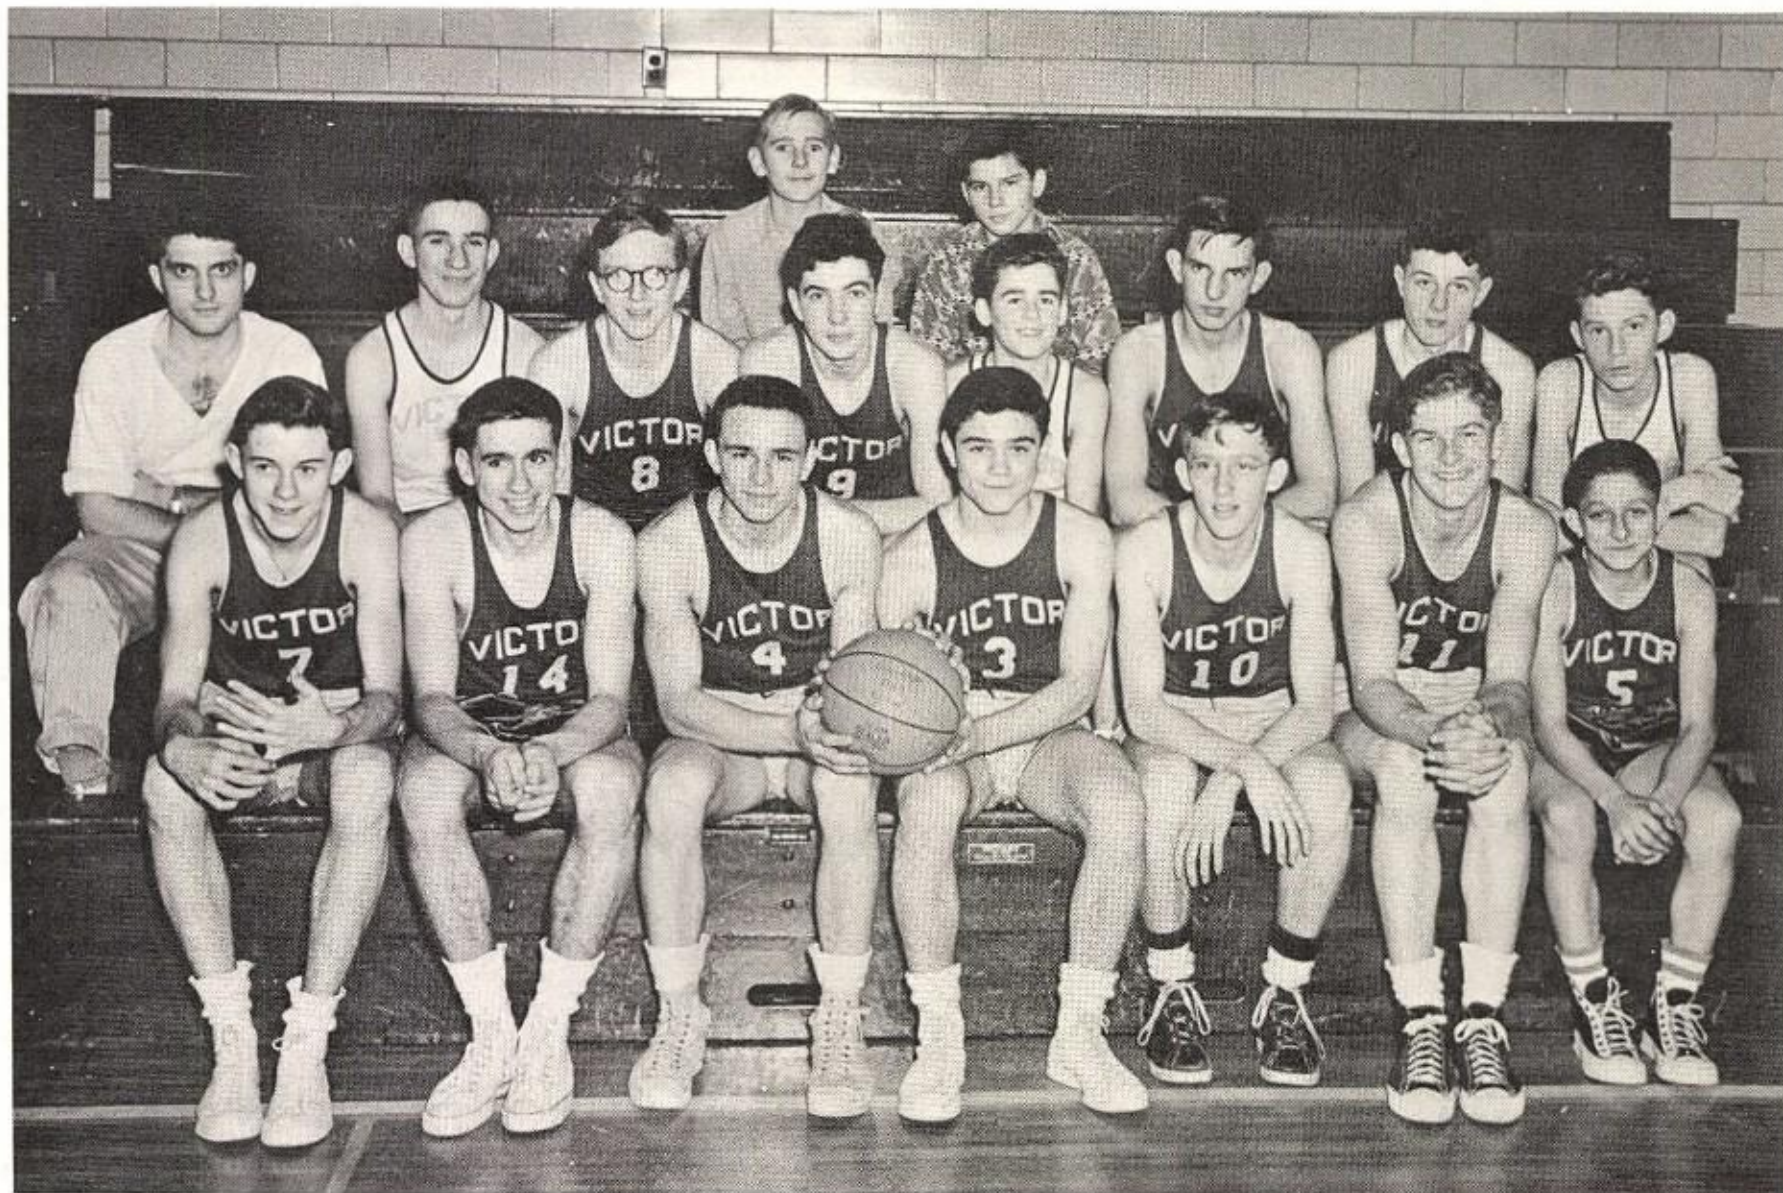

With a brand new team, brand new uniforms, and a brand new coach, the cagers from V.C.S. set out to get some seasoning and concentrate on the years ahead for their championship teams. Quite to the contrary, the ensuing season found them one of the league terrors, and most teams discovered this "young bunch of kids" had the scoring punch to match any. The end of the first half of the season found them third in offensive scoring, but far down in the won and lost column. However, the second half found them a far different team, and the only game they lost was a double overtime thriller, to Naples, which was instrumental in deciding the Class "B" title.

Because they did not win the championship does not mean they had a bad season, for they shared second place in the standings with Gorham and Red Jacket, with a league record of eleven won and five lost. The outstanding players of the team were the Pegelow twins, Don and Darvin, who controlled the boards and poured in the points for Coach Lynaugh's Shotsmiths. The youth of the team makes them one of next year's best bets for the league title.

J.V. BASKETBALL

First Row: R. Gouldrick, A. Garlock, L. Semmler, T. Mangiamele, J. Garlock, D. Weigert, J. Gullace.
 Second Row: Coach Palumbo, D. Gourlay, R. Mechler, B. Hall, E. Simonds, I. Warters, J. Mahoney, D. Turner.
 Third Row: D. Rector, J. Cotter.

Under Coach Palumbo's leadership, another group of basketball players were launched upon their high school career. Most of these boys were Freshmen and Sophomores with a few Juniors, for the Junior Varsity is where the boys get their experience.

This season showed a mediocre eight won and eight lost record, but the horizon looks brighter with many promising players coming along next year.

FOOTBALL

First Row: V. Underhill, R. Mechler, L. Semmler, "Thumper"-Mascot, T. Mangiamele, G. Antonio, D. Parshall, J. Angelo.
 Second Row: B. Burns, F. DeRight, J. Mead, D. Bardun, B. Lynaugh—Asst. Coach, O. Palumbo—Head Coach, B. Bennett, J. Barry, B. Garlock, W. Bennett.
 Third Row: R. Brady, D. Pegelow, F. Tischer, F. Preston, J. McKeag, B. Brake, B. Barry, B. Cleary, D. Pegelow, D. Turner.

With a season of moral victories behind him, Coach Carl Palumbo started this year with a young team. Youth did not dominate the team, though, and enough gridiron experience returned from last year to finish in a tie for league laurels with Red Jacket Central, who also had a three win, one loss record.

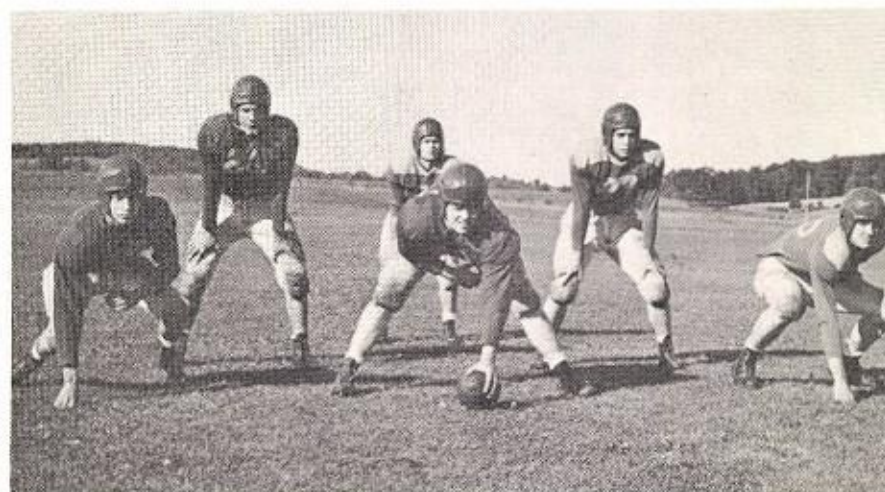

Victor suffered its loss on opening day to Clifton Springs, a loss which may be attributed to inexperience. The next three games went in Victor's favor and we were "In like Flynn".

In one other non-league contest, we topped Union Springs which had been rated as one of the best six-man football teams in the area.

Scoring leaders on the team were closely grouped. Joe Angelo and Gene Antonio in the backfield, Francis Tischer and Jim McKeag on the line garnered about 6 or 7 TD's each. Joe Angelo led the field in yards gained rushing when he carried the ball 30 times for 415 yards. Gene Antonio placed in the standings by carrying the ball 260 yards in 39 tries.

As a team the Blue Devils completed 20 passes in 41 attempts. Jack Barry and Bob Brake carried the blunt of this job from the quarterback spot.

BASEBALL

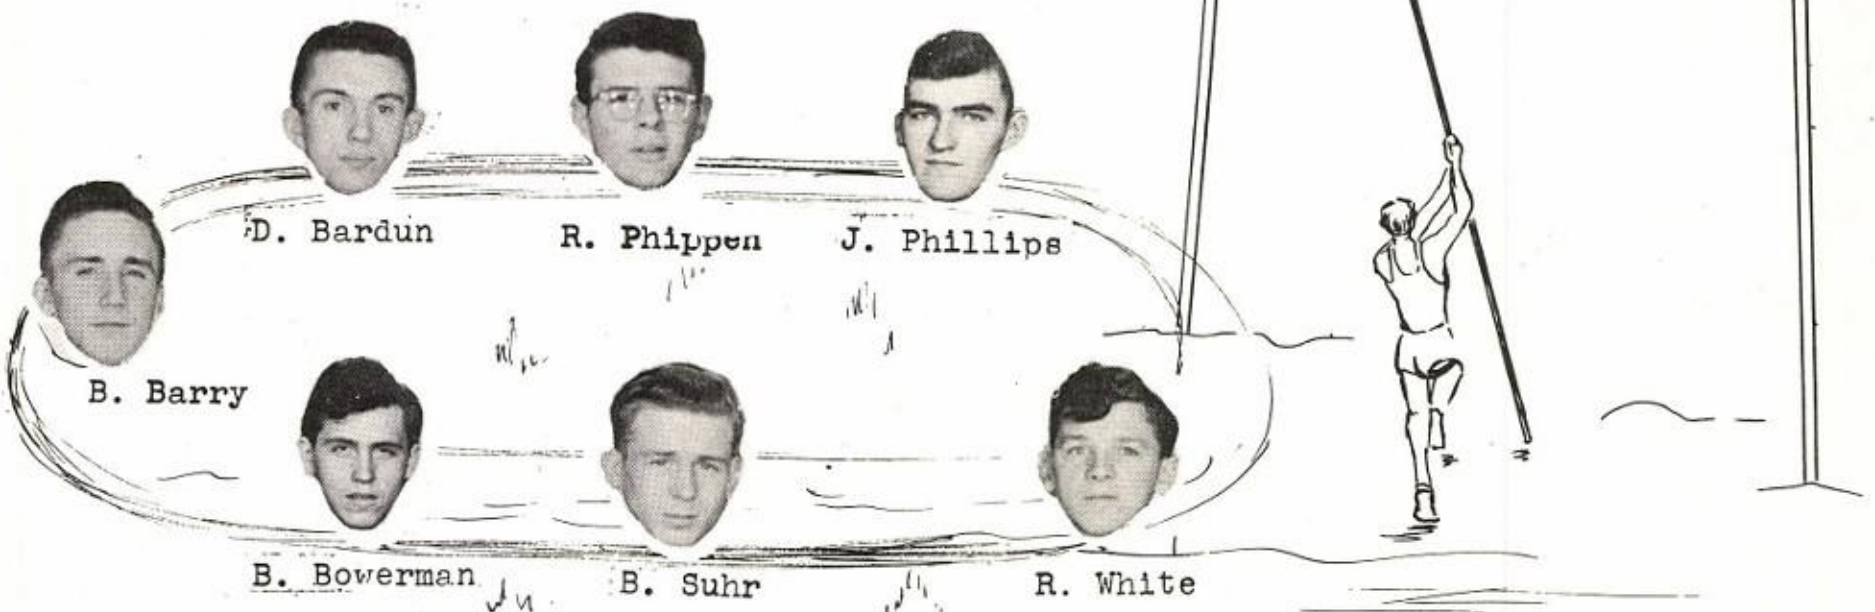

With his team running hot and cold, Coach Walt Henehan's charges finished the 1950 season with a four won and four lost record. The principal pitching chores were handled by Bob Folkins, who posted an even record of three wins and three losses.

Bob Brake led the team in batting with a .321 average, and Gene Fritz and Gordon Gourlay formed an outstanding keystone combination.

Although he lost six seniors, Coach Henehan is expecting a successful season from his 1951 team.

First Row: L. Semmler, G. Gourlay, J. Antonio, B. Bowe, G. Fritz, B. Folkins.
Second Row: Coach Henehan, K. Weigert, D. Rector, J. McKeag, B. Brake, C. Lehman, R. Gouldrick, F. Tischer, F. DeRight, B. Cleary.

TRACK

After two successful track seasons, the speedsters from VCS hit a slump and were unable to qualify anyone for the sectional meet. With a strong aggregation returning for the 1951 season, the boys once more have hopes of their team having much sectional timber.

The Varsity Club was organized three years ago by Mr. Palumbo and it is composed of members of the various teams of Victor Central. The president of the club is Jack Barry and the vice-president is Bill Garlock.

These boys sold socks, sneakers, and T-shirts to raise money for club jackets. Mr. Palumbo, in the role of adviser, helps the boys immeasurably, as they strive to better the sportsmanship of Victor's student body.

Basketball is the principal sport during the winter and also is the most popular with the girls. Volleyball and floatball are played on rainy afternoons. In spring and fall soccer is played alternately with baseball. Occasional swim trips are taken during the fall and spring to a Rochester pool. Playdays, in which intermural sports are played with other schools, have been held a few times during the year.
